**Would you like to :**

- Download the text of an ILO Convention?
- Read the latest news on the global job crisis?
- Find wage data from a specific country?
- Compare national legislation on maternity protection?
- Discover good practices in health and safety at work?

The ILO has developed a range of tools to help you find the information you need: databases, collaborative platforms, virtual reference services...

**All ILO information tools are available online at:**

<http://www.ilo.org/ilodatabases-en>

**Keys to understanding  
the world of work**

**A selection of information tools  
developed by the ILO**

## Labour market

### ILO Global Job Crisis Observatory

Keep up-to-date on the impact of the economic crisis on the world of work; get the latest news, analysis and policy response to the crisis (updated weekly).

Also...

**LED Knowledge** – resources on local economic development.

**Asistdoc** – information on employment intensive investment.

## Statistics

### Laborsta

Labour statistics for over 200 countries, covering employment, unemployment, wages and many other variables.

Also...

**Key Indicators of the Labour Market (KILM)**

**Labour force surveys**

## Labour legislation

### ILOLEX

Texts of ILO Conventions and Recommendations, data on ratification and application of Conventions, reports on freedom of association, definitions and more.

### NATLEX

National legislation on labour, social security and human rights.

Also...

**Applis** -- database on the application of international labour standards.

**Libsynd** – database on freedom of association.

## Safety and health at work

### Cisdoc

Bibliographic database on occupational accidents and diseases and their prevention.

Also includes data sheets on chemical safety, training materials, articles, books and standards.

## Social protection

### Social security

#### ISSA country profiles

Overview of social security systems in more than 170 countries and territories, and of pension schemes in more than 60 countries.

#### Social Security Worldwide (SSW)

Database covering social security and pension schemes, social protection reforms, legislation and more.

#### Gess

Global knowledge sharing platform on the extension of social protection. Includes resources, tools and services for the extension of social security.

#### Microinsurance

#### Gimi

Collaborative platform providing information and tools to facilitate the development of microinsurance schemes.

## General

### Labordoc

ILO Library database and catalogue - provides bibliographic references and access to online publications on a wide range of issues related to the world of work.

### Resource guides

Your first stop when beginning a new research topic on the world of work. Each guide presents key ILO documents, statistics, labour standards and relevant websites on a given topic.

### ILO Thesaurus

Trilingual database of terminology on the world of work.

### Ask a librarian

The ILO Library's virtual reference service; for research assistance at any time, feel free to ask a librarian.

**All these information tools are available online at:**
