Programme and Budget for 2020-21: Regular budget and Working Capital Fund

The Workers' Group thanks the Governments that have already settled their statutory contributions and welcomes the fact that it represents a slight increase of States doing so (+1 compared to the last biennium). At the same time, we invite those governments who have not yet done so to settle their contributions before the end of the year.

Following usual practice, the Workers' Group can also agree with the decision point in paragraph 11 to delegate to the Governing Body Chairperson the authority to approve any transfers within the 2020-21 expenditure budget that the Director-General may propose if needed, prior to the closure of the accounts.
