 - A. States which have settled their 2015 contributions in full;
 - B. States which have paid part of their 2015 contributions;
 - C. States which have made no payments but have received credits towards their 2015 contributions;

Forty-four member States (with 2015 contributions of CHF55.8 million, representing 14.7 per cent of assessed contributions) were in this position, 26 of which paid their contributions before 1 January 2015. At the corresponding date in 2014, CHF101.4 million, or 26.7 per cent of 2014 assessed contributions, had been received from 45 member States, 21 of which had paid their contributions before 1 January 2014.
- **4.** Section B lists 16 member States that have made partial payments against their 2015 contributions. At the corresponding date in 2014, 24 member States had made partial payments against their 2014 contributions. Section C lists States which have made no payments against their 2015 contributions, but which have received credits towards their contributions of the year, while section D lists States which have made no payments and have received no credits. One hundred and twenty-five States are shown in the latter two sections, compared with 116 States in a similar position at the corresponding date in 2014.
- **5.** At 28 February 2015, total payments and credits received against 2015 contributions thus totalled CHF78.8 million or 20.7 per cent of assessed contributions, as against CHF116 million, or 30.5 per cent at the corresponding date in 2014.

Position of member States in relation to paragraph 4 of article 13 of the Constitution

8. A table listing member States that had lost the right to vote on account of being two years or more in arrears on 28 February 2015 is attached as Appendix II.
