International Labour Conference – 109th Session, 2021

Date: 17 December 2021

Plenary sitting: Second report of the Finance Committee of Government Representatives – Submission and approval

Saturday, 11 December 2021, 12.45 p.m.

President: Mr Zniber

The President

We now turn to the work of the Finance Committee of Government Representatives (Finance Committee). I refer to the Committee's second report, which can be found in *Record of proceedings No. 4C*. The report contains one resolution concerning the projected underspending resulting from the cancellation or postponement of budgeted official meetings in the context of the COVID-19 pandemic, and the use of these funds – amounting to US\$3,312,842 – in 2022 or 2023 to finance the holding of ten postponed meetings. The list of these meetings is contained in paragraph 4 of the report.

Since the Finance Committee's recommendation was made without any debate among the government representatives, there will be no need for the Committee's Chairperson to present the report. We will now proceed with the approval of the report. Does anybody wish to take the floor in that regard?

If there are no requests for the floor or objections, may I take it that the Conference approves the second report of the Finance Committee, paragraphs 1–5?

(The report – paragraphs 1–5 – is approved.)

Resolution concerning the funding of postponed 2020–21 meetings in the biennium 2022–23

The President

We shall now proceed with the adoption of the resolution contained in paragraph 5 of the report. If there are no requests for the floor or objections, may I take it that the Conference

adopts the resolution concerning the funding of postponed 2020–21 meetings in the biennium 2022–23?

(The resolution is adopted.)

(The Conference continues its work in plenary.)
